

REMARKS

Favorable reconsideration of the application is respectfully requested in light of the amendments and remarks herein.

Applicants acknowledge with appreciation that the Examiner has indicated that claims 2, 6, and 10 are allowable if rewritten in independent form.

Upon entry of this amendment, claims 2, 6, and 10 will be pending. By this amendment, claims 2, 6, and 10 have been amended, and claims 1, 3-5, 7-9 and 11-12 have been canceled.

§102 Rejection of Claims 1, 3-5, 7-9, 11 and 12

In Section 5 of the Office Action, the Examiner has rejected claims 1, 3-5, 7-9, 11 and 12 under 35 U.S.C. §102(b) as being unpatentable over Lee et al. (DE 197 53 454; hereinafter referred to as "Lee"). Claims 1, 3-5, 7-9 and 11-12 have been canceled, thereby obviating the rejections thereof. Accordingly it is respectfully requested that these rejections be withdrawn.

Allowable Subject Matter

In Section 6 of the Office Action, the Examiner has objected to claims 2, 6, and 10 as being dependent on a rejected base claim. Claims 2, 6, and 10 have been rewritten in independent form and include the limitations of their base claim (claim 1). Accordingly, it is respectfully requested that these objections to claims 2, 6, and 10 be withdrawn.

CONCLUSION

In view of the foregoing, entry of this amendment, and the allowance of this application with claims 2, 6, and 10 is respectfully solicited.

In regard to the claims amended herein and throughout the prosecution of this application, it is submitted that these claims, as originally presented, are patentably distinct over the prior art of record, and that these claims were in full compliance with the requirements of 35 U.S.C. §112. Changes to these claims, as presented herein, are not made for the purpose of patentability within the meaning of 35 U.S.C. §§101, 102, 103 or 112. Rather, these changes are made simply for clarification and to round out the scope of protection to which Applicants are entitled.

In the event that additional cooperation in this case may be helpful to complete its prosecution, the Examiner is cordially invited to contact Applicants' representative at the telephone number written below.

The Commissioner is hereby authorized to charge any insufficient fees or credit any overpayment associated with the above-identified application to Deposit Account 50-0320.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
